

ACH High School

High School and Beyond Plan

Plan of: _____

Class of 2010

The typed, completed plan is due to Mr. Neely on March 24th.

The plan for my year beyond high school is:

- | | |
|-------------------------------|--|
| _____ Work | See Page #<u>3</u> to complete plan |
| _____ Military | See Page #<u>4</u> to complete plan |
| _____ Apprenticeship | See Page #<u>5</u> to complete plan |
| _____ Technical School | See Page #<u>6</u> to complete plan |
| _____ 2-Year School | See Page #<u>7</u> to complete plan |
| _____ 4-Year School | See Page #<u>8</u> to complete plan |

WORK

My Plan is to go in to the work force. Following are the tools I need to go well prepared and to complete my plan.

- **Resume** that details my work objective, my education, my work history, my activities, awards, any special training.
- **Cover Letter** why I am applying for the job I hope to obtain. Use an actual cover letter you've used or pretend to write one for a job of your choice.
- **Letters of Recommendation (3)** that recommend me to an employer.
- **A completed interest inventory from WOIS:** use directions for WOIS that were given with your portfolio.
- **Example of a completed application:** use the application given to you in your portfolio
- **Community Service:** Write a one page paper explaining any community service projects you have been a part of.
- **CAN YOU LIVE ON YOUR OWN?** Write a one page paper of how you plan on living after high school. Include information about how you will budget money for housing, food, utilities, gas, and entertainment.

Attach Pages 1 and 2 as cover pages and submit all above documents to Mr. Neely by March 24th.

MILITARY

My plan is to go into the armed forces. I plan on enlisting with the _____ branch of the military. My recruiter is _____ and can be reached at _____.

I have enlisted for a _____ year assignment. I hope to be able to learn _____ (what skill or work in what particular field.)

- Include a copy of your ASVAB score sheet.
- For enlisting, I will earn \$_____/month or \$_____ per year.
- I realize that following basic training I could immediately go to a combat assignment. Possible assignments include:

- Write a 2 page paper about the benefit and risks of making this choice. Include the benefits of pay, medical, college benefits available DURING and AFTER you enlistment. Explain how you arrived at your decision to join the military. Explain what you hope to do after your military commitment is fulfilled.

Attach Pages 1 and 2 as cover pages and submit all above documents to Mr. Neely by March 24th.

APPRENTICESHIP

My Plan is to go in to an apprenticeship in:_____. Attach documents about the program you will be completing and the organization you will complete the program through. I recognize I will have both classroom learning experiences as well as on the job learning experiences. The apprenticeship program I will complete runs for _____ months/years, throughout which I will receive periodic evaluations for both my related instruction as well as job performance. I can expect to receive a certificate of completion from either the State of Washington or the Bureau of Apprenticeship and Training.

Following are the tools I need to go well prepared and to complete my plan.

- **Resume** that details my work objective, my education, my work history, my activities, awards, any special training.
- **Cover Letter** why I am applying for the job I hope to obtain. Use an actual cover letter you've used or pretend to write one for a job of your choice.
- **Letters of Recommendation (3)** that recommend me to an employer.
- **A completed interest inventory from WOIS:** use directions for WOIS that were given with your portfolio.
- **Example of a completed application:** use the application given to you in your portfolio
- **Community Service:** Write a one page paper explaining any community service projects you have been a part of.
- **CAN YOU LIVE ON YOUR OWN?** Write a one page paper of how you plan on living after high school. Include information about how you will budget money for housing, food, utilities, gas, and entertainment.

Attach Pages 1 and 2 as cover pages and submit all above documents to Mr. Neely by March 24th.

TECHNICAL SCHOOL

My Plan is to go to a technical training program that will allow me to build skills in a particular area of interest. This school might be in the areas such as fashion design, computer animation, heavy equipment maintenance, or underwater welding.

The program I intend to take is: _____ at _____ (school) located at _____ in _____ (state). The program is _____ (months/years) in length and will have a total tuition, books, fees, and equipment cost of \$_____.

- I have researched whether this school is accredited by a state or national accrediting organization **YES/NO** (circle one)
- I have researched whether this school qualifies to offer Federal financial aid **YES/NO**? The Federal School Code for the technical school I am attending is: _____.
- I have researched the job placement rate of this program and found _____% of graduates are placed in jobs immediately upon graduation.

Because most students going to technical school are both students and work on a part time basis, the following items will be useful:

- **Resume** that details my work objective, my education, my work history, my activities, awards, any special training.
- **Cover Letter** why I am applying for the job I hope to obtain. Use an actual cover letter you've used or pretend to write one for a job of your choice.
- **Letters of Recommendation (3)** that recommend me to an employer.
- **A completed interest inventory from WOIS:** use directions for WOIS that were given with your portfolio.
- **Example of a completed application:** use the application given to you in your portfolio
- **Community Service:** Write a one page paper explaining any community service projects you have been a part of.
- **CAN YOU LIVE ON YOUR OWN?** Write a one page paper of how you plan on living after high school. Include information about how you will budget money for housing, food, utilities, gas, and entertainment.

Attach Pages 1 and 2 as cover pages and submit all above documents to Mr. Neely by March 24th.

TWO YEAR COLLEGE (Associate of Arts Program)

My Plan is to go to a two year college program that will allow me to build skills in a particular area of interest. My intention is to receive and Associate of Arts degree in _____ . The program I intend to take is located at _____ (school) in _____ (state).

I have researched the job placement rate of this program and found _____% of graduates are placed in jobs immediately upon graduation.

Below details the decision and information process I have used to make my decision about attending college:

1. Area of interest to study: complete an interest inventory on WOIS and provide documentation on your area of interest.
2. List 2 colleges that offer degree programs in my area of interest
3. Criteria for admission: gather information from 2 college websites about their requirements for admission.
4. **Resume** that details my work objective, my education, my work history, my activities, awards, any special training.
5. **Cover Letter** why I am applying for the job I hope to obtain. Use an actual cover letter you've used or pretend to write one for a job of your choice.
6. **Letters of Recommendation (2)** that recommend me to an institution.
7. **Community Service**: Write a one page paper explaining any community service projects you have been a part of.
8. **CAN YOU LIVE ON YOUR OWN?** Write a one page paper of how you plan on living after high school. Include information about how you will budget money for housing, food, utilities, gas, and entertainment.

Attach Pages 1 and 2 as cover pages and submit all above documents to Mr. Neely by March 24th.

FOUR YEAR COLLEGE

My plan is to go to a four year college program that will allow me to pursue a degree in _____ . I have researched the following 3 programs: List the colleges:

1. _____
2. _____
3. _____

and made a decision to attend _____.

Below details the decision and information process I have used to make my decision about attending college:

1. Area of interest to study: complete an interest inventory on WOIS and provide documentation on your area of interest.
2. List 3 colleges that offer degree programs in my area of interest
3. Criteria for admission: gather information from 3 college websites about their requirements for admission. Include minimum GPA, SAT/ACT
4. **Resume** that details my work objective, my education, my work history, my activities, awards, any special training.
5. **Cover Letter** why I am applying for the job I hope to obtain. Use an actual cover letter you've used or pretend to write one for a job of your choice.
6. **Letters of Recommendation (2)** that recommend me to an institution.
7. **Community Service**: Write a one page paper explaining any community service projects you have been a part of.
8. **CAN YOU LIVE ON YOUR OWN?** Write a one page paper of how you plan on living after high school. Include information about how you will budget money for housing, food, utilities, gas, and entertainment.

Attach Pages 1 and 2 as cover pages and submit all above documents to Mr. Neely by March 24th.
