

## Pre-School/Pre-K Parents Information

We are excited to register your child for Pre-School/Pre-K! Some of you have already been involved with our program at Coulee City School and are Pre-School veterans. Others are just entering into this fun journey for the first time. Either way, we welcome you and your child to the first steps into your educational adventure!

During registration time, we ask that you fill out enrollment papers, medical forms, and a questionnaire that will help us serve your child better. If you have already filled out these forms for the previous school year, we still ask that you look over your previous papers, and update as necessary.

Mrs. Katie Visker is the teacher of our Pre-School/Pre-K program. Additionally, we have high school student aides working in the classroom.
